Exciting Parcel Update: We Did It!

Thanks to the generous donations from dozens of community members and the incredible matching contributions from Jack and Carol Wilbur, we have successfully raised over $50,000 to purchase this crucial Goldstream Valley parcel!

This parcel includes a vital section of the historic east-west Railroad Trail, significantly enhancing access to the Goldstream Public Use Area to the north and safeguarding both current and future trail access. This achievement would not have been possible without the overwhelming support from our amazing community. Thank you so much!

Next Steps: Let's Clean Up!

Our next mission is to clean up the property. There is a significant amount of trash that needs to be removed, and we need your help. Stay tuned on our social media channels and via email (become a member or signup for our newsletter: https://interioraklandtrust.org/donate/) for details on upcoming clean-up days. If you're interested in getting more involved, please don't hesitate to message us!

Together, we're making a difference. Thank you for your continued support!
